Thank you for your interest in paranormal investigations at White Hill Mansion.

A 50% deposit is required to book your date at White Hill Mansion. Bookings can be done directly from our **HAUNTS** page at whitehillmansion.org. An invoice with your balance will be emailed to you. Your balance is due before your investigation.

Your deposit is nonrefundable but is transferable to a new date. A transfer request must be done at least 2 weeks from your investigation date to avoid a fee. Please understand that it is difficult to resell a date in less than 2 weeks time. If needed, you can contact White Hill at whitehillinfo@gmail.com.

The gates open at 7 pm, and there is heat and electricity in the building but no running water. A trailer is on-site with bathroom facilities.

You will get a tour of the mansion which includes a historical account of the building and safety protocols. The rest of the evening is left for you to investigate.

For security reasons, a staff member will be on hand at all times. Please note that there are cameras with video & audio on site. These are used for security reasons only.

We are looking forward to seeing you and your team.
